The City Menzshed (Wellington) new home is now in the former Isolation Ward, behind the old Ewart Hospital in Coromandel Street and you are invited to view their new home around 3.30pm on Wednesday 16th August. If there is enough interest we could take a bus???????

If you are looking for a small project to help out with at the Shed, just pop in and ask what's on the go in the workshop, there is always a few things that could do with an extra pair of hands.
