

Shed News from the Committee and Coordinator

August 2018
Hi Shedders

Following on from a very orderly and positive AGM, we congratulate Murray, Wayne, Barry, Kevin, Geoff, & Wayne on being re-elected and welcome Mat Nolan to the Committee. Peter Tibbs has stepped back from the Committee but is still fully involved with the security of tenure negotiations.

There has been some large projects completed of recent and well received by the Community we serve so well, but due to limits on space we may have to cut back on some future projects.

There's still plenty going on;

- Games day is very popular every Thursday morning, come along and try your hand at any one of the twenty or so.
- Womens night is into its 3rd month, that's interesting.
- Writers Group is flourishing, meeting on the second Monday each month.

Volunteers please to get involved with promoting the Shed and doing a good deed;

- Wellington Free Ambulance appeal, we will be at Mitre10 Mega on 7th & 8th September, (we called upon their services again last week, so lets return a favour.)
- Aging gracefully Expo at the Trust House stadium on Monday 24th September.
- School holiday programmes on the 2nd, 8th and 10th October.

A week of special activities at the Shed in conjunction with this worldwide celebration.
Monday 24th at Expo, Tuesday 10am ~ 12 Sports morning (Kubb, Klop, & Corn hole), Wednesday 10am to 11am Shedders Bake off and tasting, Thursday Games Morning, Friday Public Open morning.

If you are at a loose end and looking for a small task to complete pop on down to the shed and see what we are up to, there's something new on the workbench every day.

Please tell a friend about your Mens Shed, and try to bring another bloke with you, show them around your shed and the things that blokes get up to on a daily basis, there's always room for another bloke in the shed and new conversations to be had.

"See you at the Shed again soon"

John Bush
